Committee Last Revised Recommendations: n/a  
Staff Last Revised (non-substantive): January 2024

The Steinger Center for the Community Foundation of Greater Fort Wayne was built in part to be a community resource for groups to come together and meet. We are pleased that you would like to use our facility. In order to maintain the beautiful nature of this facility and make it available to as many groups as possible, the Community Foundation Board of Directors has established the following guidelines:

1. **General Information.** Permission to use the Steinger Center is not an endorsement of the user by the Community Foundation of Greater Fort Wayne.

Publicity for a meeting that is not sponsored or co-sponsored by the Community Foundation must not be worded in a manner which states or implies Community Foundation sponsorship. Organizations may use the street address of the Community Foundation as the meeting location in publicity materials. A line stating "...held at the Community Foundation of Greater Fort Wayne" is allowed on printed materials. However, the name, address, or telephone number of the Community Foundation must not be used as the official address, headquarters of the organization and/or contact for the event.

The Community Foundation logo must not be used in publicity materials.

2. **Priority for Use of the Community Room.** Community Foundation meetings have the highest priority for the use of the community room in the facility. Other organizations may use the community room when it is available and the activities of the organizations do not conflict with other activities planned by the Community Foundation.

The room will be available only to local nonprofit organizations, not individuals, for business related meetings. Private parties, religious services, sales solicitations, etc. are not permitted. In addition, the grounds of the Community Foundation cannot be used for events where the primary purpose is fundraising (i.e. car washes, rummage sales, galas, silent auctions, gambling events, etc.).

The Community Foundation reserves the right to deny the community room to any organization based on the priorities of the Community Foundation and reserves the right to amend this policy as it sees fit.

3. **Availability of the Community Room.** The community room is available to local nonprofit organizations without charge Monday through Thursday between **8:00 A.M. and 3:30 P.M. and Friday between 8:00 A.M and 1:00 P.M.** All meeting participants must vacate the Community Foundation premises by **3:30 p.m.** Meetings must not incur costs and/or liability to the Community Foundation (i.e. long distance phone charges, etc.).

Please contact Amanda Pant at [apant@cfgfw.org](mailto:apant@cfgfw.org) or 260-426-4083 if you have any questions about this policy or the use of the community room.

In order to provide flexibility for our programs, our general policy is to allow an organization to use the community room no more than twelve times per year.

Reservations for the community room will be made with the following guidelines:

- Community room will be available on a first come, first served basis.
- Reservations should be made no later than one month prior to the meeting date.
- Reservations for the upcoming calendar year can be made on or after **November 1.**
- Reservations must be made with the Community Foundation Administrative Assistant or his/her designee.

In the event the Community Foundation closes due to inclement weather, an emergency, power failure etc., the Community Foundation reserves the right to cancel a scheduled meeting. If the Community Foundation closes, a representative from the Community Foundation will contact either the primary or secondary meeting contact listed on the organization's room request form. It is the responsibility of the organization to contact the meeting participants regarding a cancellation. The Community Foundation designee will work with you to reschedule your meeting for the earliest possible date.

Room cancellation is required no less than five working days prior to the meeting date. Failure to notify the operations manager or his/her designee may prevent the organization from future use. The Community Foundation reserves the right to withdraw its offer of community room usage should an internal need supersede it.

The community room is located in the lower level of the Steininger Center and is ADA accessible via an elevator. Two ADA van-accessible parking spaces are also available.
