THE UNIVERSAL APPLICATION SYSTEM

Last year, we launched the Universal Application System to simplify and streamline the scholarship process for students and guidance teams—and it's back for a second year!

Benefits of the Universal Application

Time-Saving: Students can apply for multiple scholarships efficiently, saving time while accessing a wider range of opportunities.

Simplified Tracking: Guidance counselors can easily track and manage applications, ensuring a smooth experience for everyone involved.

Proven Success: After a successful first year, the Universal Application continues to make it easier than ever for students to connect with scholarships that fit their goals.

To access the Universal Application, simply scan the QR code or [click here](#).

All scholarship applications are due by

APRIL 1

unless otherwise specified in this brochure.

We're committed to supporting students in their educational journey and believe the Universal Application will enhance their experience while maximizing access to scholarship opportunities.
